

PROGRAMME:

“Measuring what works! – An introduction of Monitoring & Evaluation for small-scale projects of developmental cooperation”

Weltweit –
Gesellschaft zur Förderung lokaler Initiativen e.V.

Day 1

10.30 – 11.00

Introduction into the workshop

Explanation of the methodological approach, short tour of introductions and expectations by the participants

Dr. Meik Nowak, GSI Bonn

Sabine Wege, Ruhr-Universität Bochum & Philipps-Universität Marburg

11.00 – 11.30

Programming I: Introduction into project management/ project cycle management (PCM)

Dr. Meik Nowak/ Sabine Wege

Input lecture with Q&A, flashlight rounds and energizers

11.30 – 12.15

Programming II: Introduction into monitoring & evaluation

Dr. Meik Nowak/ Sabine Wege

Input lecture with Q&A, flashlight rounds and energizers

12.30 – 13.15

Workshop Session “Reflection I: What is my understanding of evaluation?”

Reflections and considerations of the input lecturers in the Open Space-format by using Storyboarding, Energizer and other activation techniques

13.15 – 14.00

Design I: “From story to structure – the logframe as the main instrument for project design (LFA)”

Dr. Meik Nowak/ Sabine Wege

Input Lecture with Q&A, Flashlight Rounds and Engergizers

14.00 Lunch

15.00 – 17.00

Design II: “Indicators and their means of verification”

Dr. Meik Nowak/ Sabine Wege

Input lecture with Q&A, flashlight rounds and energizers

17.45 – 18.30

Design II: “Qualitative and quantitative methods”

Dr. Meik Nowak/ Sabine Wege

Input lecture with Q&A, flashlight round and energizers

17.45 – 18.30

Workshop session “Reflection II: Which evaluation design fits my project the best?”

Reflections and considerations of the input lectures in the open space-format by using storyboarding, energizer and other activation techniques

PROGRAMME:

“Measuring what works! – An introduction of Monitoring & Evaluation for small-scale projects of developmental cooperation”

Weltweit –
Gesellschaft zur Förderung lokaler Initiativen e.V.

Day 2

09.00 – 10.00

From project to practice I: “Contribution and attribution”

Dr. Meik Nowak/ Sabine Wege

Inputs by the facilitators with the following in-depth work in interested-related breakthrough groups, formation of those groups based on the content of the first day

10.00 – 12.00

From project to practice II: “The implementation of a M&E design into micro-projects and the pitfalls of implementation”

Dr. Meik Nowak/ Sabine Wege

Inputs by facilitators with following in-depth work in interest-related breakthrough groups

12.00 Lunch

13.00 – 14.30

From project to practice III: “The power of storytelling in project reports”

Dr. Stephen Wagner, redelandschaften.de

Inputs by the facilitator with practical guidelines

14.45 – 16.15

From project to practice IV: “Time, what is time? ToR, preparation phase and kick-off phase of evaluations”

Inputs by the facilitators with following in-depth work in the respective “Breakthrough Format”

16.15 – 17.00

Dissemination round and presenting the preliminary results for the respective evaluation designs

17.00

End of the workshop
