1. About the workshop content:

■ Strongly disagree   ■ Disagree   □ Don't know   ■ Agree   ■ Strongly agree

The workshop made me feel better prepared to plan
and manage my own project.

I have learned the basics about the use of QGIS and
would like to keep using it in the future

I have learned the basics about the use of OpenForis
Collect and would like to keep using it in the future

I am likely to use QGIS in my own projects in the near
future

I am likely to use OpenForis Collect in my own
projects in the near future.
