Facilitator Training - Preliminary Programme

Date & Time	Session	Title	Content Overview
Thu 21 May 17:00–18:30 CET	Session 1	Role of the Online Facilitator & Creating Learning Space	Welcome & introductions · What is facilitation (vs. teaching/lecturing)? · Roles: facilitator, moderator, expert speaker · Establishing an inclusive group dynamic · Reflection on personal strengths and expectations as a facilitator.
Wed 27 May 17:00–18:30 CET	Practical Workshop A	Managing Zoom as a Facilitator	Hands-on tour of the Zoom facilitator toolkit · Breakout rooms: setup, management and timing · Reactions, polls, chat moderation and raise hand · Screen sharing and whiteboard collaboration · Troubleshooting common technical issues during a live session.
Thu 28 May 17:00–18:30 CET	Session 2	Planning Interactive Learning Sessions	Session framework: opening → core → reflection → closing · Balancing input, interaction and reflection · Methods & tools for online engagement (polls, quizzes, group work) · Quick design challenge: create a 10-minute activity for youth.
Wed 3 Jun 17:00–18:30 CET	Practical Workshop B	Action Network Worldwide (ANW) Platform	Introduction to ANW as a learning and networking hub for the Green Bridges community · Navigating the platform: accessing learning materials and connecting with peers · Using ANW for your own learning journey throughout the project · How facilitators can build and upload their own course content on ANW in the future.
Thu 4 Jun 17:00–18:30 CET	Session 3	Moderating Sessions with Expert Speakers	Role of a moderator before, during and after the session · Introducing a guest speaker and creating interaction around their input · Role-play: introducing a famous guest · Strategies for kick-starting Q&A · Post-session best practices checklist.
Thu 11 Jun 17:00–18:30 CET	Session 4	Key Skills & Managing Group Dynamics	Communication skills: active listening, questioning, paraphrasing · Encouraging participation and diverse perspectives · Managing dominant, silent or off-topic participants · Energy-check techniques · Preparation for the final practice session.
Thu 18 Jun 17:00–18:30 CET	Session 5	Practice & Feedback	Participants facilitate a 10-minute session live · Peer and trainer feedback: "What worked / Even better if..." · Tools for assessing session success and collecting participant feedback.
